**RE: 2009 Monitoring Well Installation Technical Memorandum  
Final – Revision 1**

Dear Mike,

Please find enclosed the final 2009 Monitoring Well Installation Technical Memorandum, which is being submitted on behalf of P4 Production (P4). This final version is being submitted based on the approval letter provided by the Agencies and Tribes (A/T) on 30 July 2009. P4 is planning to install the wells indicated in the technical memorandum beginning on August 24th. We appreciate your prompt approval of this technical memorandum.

As always, if you have any questions please do not hesitate to contact Barry Koch at (208) 547-1439 or myself at (970) 879-6260.

Best Regards,

Cary L. Foulk  
Supervising Geologist/Geochemist
